Term Sheet – Delphi Cessation and GM Provision of OPEB

- 1) This Term Sheet sets forth the agreement of General Motors Corporation ("GM"), Delphi Corporation, or any successor to Delphi as a result of the acquisition of substantially all the stock or assets of Delphi Corporation or a merger of Delphi Corporation, ("Delphi"), and the International Union of Operating Engineers and its Local Unions 832(S) and 18(S) ("IUOE"), the International Brotherhood of Electrical Workers and its Local Union 663 ("IBEW"), and the International Association of Machinists and Aerospace Workers and its Tool and Die Maker Lodge 78 ("IAM"), regarding Delphi's cessation of post-retirement health care benefits and employer-paid post-retirement basic life insurance benefits (hereinafter referred to as "OPEB") and GM's agreement to provide OPEB to certain retired employees currently receiving such benefits from Delphi and other active Delphi employees who may become eligible for OPEB in accordance with this Term Sheet. Except as otherwise expressly stated herein, the terms of the respective Delphi and GM employee benefit plans and programs will govern. This Term Sheet does not, and is not intended to, constitute an employee benefit plan under the meaning of ERISA.
- 2) The parties acknowledge that this Term Sheet will become effective (the "Effective Date") when all of the following events have occurred and as of the date when the last of such events shall have occurred: (a) the entry of an approval order by the Bankruptcy Court in Delphi's chapter 11 cases approving the applicable IUOE, IBEW, or IAM-Delphi-GM Memorandum of Understanding-Delphi Restructuring which incorporates (among other subject matters) this Term Sheet and approves modifications to the existing collective bargaining agreements between Delphi and the applicable union resolving any Section 1113 and 1114 motions pending in the Bankruptcy Court as between Delphi and the applicable union; (b) successful ratification by the applicable union membership of such of the agreements referred to in the preceding clause as are determined by the applicable union to require such ratification; (c) execution by Delphi and GM of a comprehensive settlement agreement resolving the financial, commercial, and other matters between them; and (d) the substantial consummation of a plan of reorganization proposed by Delphi in its chapter 11 cases (the "Plan") and confirmed by the Bankruptcy Court which incorporates, approves and is consistent with all of the terms of this Term Sheet and the comprehensive settlement agreement between Delphi and GM.
- 3) Pursuant to the Plan and this Term Sheet, as of the Effective Date or as soon as practicable thereafter in accordance with applicable law and administrative requirements (the "Cessation Date"), Delphi will cease to

provide, offer, or have any liability for OPEB to its IUOE, IBEW, and IAM represented hourly employees and retirees and their spouses, surviving spouses, dependents or other beneficiaries. The cessation will be administered on a "claims incurred" basis, and Delphi will therefore retain responsibility for all claims incurred but either unfiled or unpaid as of the Cessation Date. This cessation will include elimination of the Special Benefit relating to Medicare Part B.

- 4) As of the Cessation Date, GM agrees to provide OPEB (including the Special Benefit relating to Medicare Part B if applicable) to the IUOE, IBEW, and IAM represented Delphi hourly employees and Delphi retirees who:

- A as of the Effective Date are retired with eligibility for OPEB;
- B. as of the Effective Date are eligible to retire from Delphi on a normal retirement basis under Article II, section 1 of the Delphi Hourly-Rate Employees Pension Plan ("Delphi HRP") (i.e., age 65) or an early retirement basis under Article II, sections 2(a)(1), 2(a)(2) or 2(a)(3) of the Delphi HRP (i.e., 60 & 10, 85 Point or 30 & Out), with OPEB under the terms of the applicable 2003 collective bargaining agreement in effect on the date immediately preceding the Effective Date; and
- C. become eligible to retire on a normal retirement basis under Article II, section 1 of the Delphi HRP (i.e., age 65) or an early retirement basis under Article II, sections 2(a)(1), 2(a)(2) or 2(a)(3) of the Delphi HRP (i.e., 60 & 10, 85 Point or 30 & Out) or as a Total and Permanent Disability retirement under Article II, section 3 of the Delphi HRP approved both by Delphi pursuant to the procedures applicable to the Delphi HRP as of the date immediately preceding the Effective Date and approved by GM under the procedures applicable to the General Motors Hourly-Rate Employees Pension Plan ("GM HRP"), within 7 years of the Effective Date.

- 5) All post-retirement medical benefits provided by GM will be in accordance with all the ongoing terms, conditions and eligibility requirements of the GM Health Care Program for Hourly Employees and GM will provide the applicable level of post retirement medical benefits consistent with the terms of the Modified Plan, as defined in the settlement agreement (the "Settlement Agreement") approved by the court in the case *IUE, et al. v. General Motors Corporation* (case number 2:06-cv-12151), on the same basis as such benefits are provided to GM-IUE-CWA hourly employees who retired from GM with eligibility to participate in the GM Health Care Program.

- 6) All employer-paid post-retirement Basic Life Insurance benefits provided by GM will be in accordance with all the ongoing terms, conditions and eligibility requirements of the GM Life and Disability Benefits Program for Hourly Employees and will be at the level provided for Delphi IUOE, IBEW, or IAM,

as applicable, represented retirees on the date immediately preceding the Effective Date, provided, however, that in no event shall GM be required to provide life insurance benefits at a level and scope that exceeds that being provided for similarly situated IBEW or IAM – represented hourly retirees of GM.

- 7) The parties agree to fully cooperate with the efficient transfer of administrative responsibilities from Delphi to GM so that the Cessation Date will be the Effective Date or as soon as possible after the Effective Date, but in no case later than 3 months after the Effective Date (unless mutually agreed to by the parties). The parties further agree that there may be differing Cessation Dates for different portions of post-retirement medical plan benefits depending on the benefit and how quickly administrative responsibilities can be transferred. The parties further agree that the Cessation Date shall not occur unless and until GM is prepared to assume responsibility for all covered claims incurred on and after the Cessation Date, in order to assure a smooth transition of the obligation.

General Provisions

- 8) Delphi, GM, and the IUOE, IBEW, and IAM agree to make all collective bargaining agreement and benefit plan amendments and modifications necessary to implement and comply with the terms contained herein.
- 9) Employees electing a Buy Down under the applicable IUOE, IBEW, or IAM-Delphi-GM Memorandum of Understanding-Delphi Restructuring will retain eligibility for OPEB under this Term Sheet without regard to such election.
- 10) This Term Sheet shall not be effective unless the confirmation order approving the Plan incorporates and approves all of the terms of this Term Sheet (including the releases provided for herein), does not include terms that are inconsistent with this Term Sheet, and provides that on the Effective Date, the IUOE, IBEW, and IAM, all employees and former employees of Delphi represented or formerly represented by the IUOE, IBEW, and IAM, and all persons or entities with claims derived from or related to any relationship with such employees or former employees of Delphi, waive and be deemed to have waived any and all claims of any nature, whether liquidated, un-liquidated, contingent, non-contingent, asserted, unasserted, existing and/or arising in the future against Delphi, the Delphi HRP, the Delphi Health Care Program for Hourly Employees and the Delphi Life and Disability Benefits Program for Hourly Employees, GM, the GM HRP, the GM Health Care Program for Hourly Employees and the GM Life and Disability Benefits Program for Hourly Employees, and the officers, directors, employees, fiduciaries, and agents of each, arising from or related to any obligations of Delphi, GM and/or such employee benefits plans to provide OPEB or pension benefits, or related in any way to the amendment and freeze of the Delphi HRP, the cessation of Delphi OPEB; provided however,

that claims for benefits provided for under the provisions of this Term Sheet or ordinary course claims by participants and beneficiaries of the GM Health Care Program for Hourly Employees, the Delphi Health Care Program for Hourly Employees and the Delphi Life and Disability Benefits Program for Hourly Employees, arising after the Effective Date based on the denial or miscalculation of benefits under such plans are not waived. The parties acknowledge that Delphi and/or GM may seek additional waivers of other claims, other than ordinary course grievances and workers' compensation claims, in connection with the resolution of its current labor negotiations with the IUOE, IBEW, and IAM. The parties also acknowledge that (i) the consideration provided by GM in this Term Sheet constitutes a substantial contribution to the Plan, (ii) this contribution is necessary to the success of the Plan, and (iii) GM would not have made this contribution without obtaining the releases provided for herein. The Parties further acknowledge that nothing in the preceding sentence shall give rise to or entitle GM to seek or be allowed any claim against or consideration from any entity, including Delphi, other than as specifically approved by the Bankruptcy Court as agreed to by Delphi and GM in a comprehensive settlement agreement resolving the financial, commercial, and other matters between them.

Attachment C

Delphi-GM- IBEW, IAM, IUOE Special Attrition Program –Transformation

1. Delphi, the International Union of Operating Engineers, AFL-CIO (IUOE), the International Brotherhood of Electrical Workers, AFL-CIO (IBEW), and the International Association of Machinists and Aerospace Workers, AFL-CIO (IAM) (collectively the "Unions"), and General Motors agree on the following Special Attrition Program – Transformation (SAP-T) for Delphi employees who are participants in the Delphi Hourly-Rate Employees Pension Plan ("Delphi HRP").
 - a. An attrition program will be run for eligible IBEW, IAM, and IUOE-represented Delphi employees as follows:
 - i. \$35,000 for normal or early voluntary retirements when the employee's services are no longer required but no later than January 1, 2008.
 - ii. Age 50 with 10 years of credited service Mutually Satisfactory Retirement (MSR) effective when the employee's services are no longer required but no later than January 1, 2008.
 - b. Any employee with at least 26 and less than 30 years of credited service regardless of age will be eligible for special voluntary placement in a pre-retirement program when their services are no longer required, but no later than January 1, 2008, under the following terms:
 - i. Employees electing this pre-retirement program must be eligible no later than January 1, 2008.
 - ii. Employees will retire without additional incentives when they first accrue 30 years of credited service under the provisions of the Delphi HRP.
 - iii. The gross monthly wages while in the program will be:

1. 29 years credited service	\$2,900
2. 28 years credited service	\$2,850
3. 27 years credited service	\$2,800
4. 26 years credited service	\$2,750

Wages will be paid weekly on an hourly basis (2,080 hours per year) and will remain at that rate until 30 years of credited service is accrued. Employees will be treated the same as active employees with the following exceptions: (1) not eligible

for Cost of Living Allowance (COLA); (2) not eligible for vacation pay except as was earned and unpaid prior to the commencement of this Pre-Retirement Program; (3) for purposes of pension benefits, the Benefit Class Code will be determined using the twenty-four month look back period as specified in Appendix A of the Delphi HRP, with said period starting from the last day worked prior to the commencement of the pre-retirement program; (4) for purposes of life insurance, the amount of life insurance will be based on the base rate as of the last day worked prior to the commencement of the pre-retirement program.

- c. Buy out of \$140,000 for eligible employees with 10 or more years of seniority or credited service, whichever is greater; \$70,000 for eligible employees with at least three but less than 10 years of seniority or credited service, whichever is greater; and \$40,000 for eligible employees with at least one but less than three years of seniority or credited service, whichever is greater, to sever all ties with GM and Delphi except any vested pension benefits (as such no pension supplements will be payable). Employees will buy out when their services are no longer required, but no later than January 1, 2008. An employee electing a buy out whose spouse is employed at Delphi may, if they meet all plan requirements to do so, be eligible for health care coverage as a dependent pursuant to their spouse's health care program.
 - d. An employee may only select one of the options described above.
 - e. Effective January 1, 2008, all employees (other than those participating in option 1.b.), not electing an attrition option will be bought down consistent with the IBEW, IAM, or IUOE -Delphi-GM Memorandum of Understanding -Delphi Restructuring applicable to the employee.
 - f. Temporary employees will be used as needed to bridge any difficulties arising from the implementation of the Special Attrition Program – Transformation.
2. GM, the Unions and Delphi agree that any employee electing to retire under options 1.a.i., 1.a.ii, or 1.b. will transition to GM for purposes of post-retirement health care and employer paid basic life insurance in retirement ("check the box") and receive such benefits from GM on the same basis as GM-IUE-CWA retirees; post-retirement medical benefits provided will be in accordance with all the ongoing terms, conditions and eligibility requirements of the GM Health Care Program for Hourly Employees. As such, GM will provide the applicable level of post retirement medical benefits consistent with

the terms of the Modified Plan, as defined in the settlement agreement (the "Settlement Agreement") approved by the court in the case *IUE, et al. v. General Motors Corporation* (case number 2:06-cv-12151), on the same basis as such benefits are provided to GM-IUE-CWA hourly employees who retired from GM with eligibility to participate in the GM Health Care Program. Any employee choosing option 1.b. above will be considered a Delphi employee until they retire. Employees who have 100% of their credited service in the Delphi HRP will receive 100% of their pension benefit from the Delphi HRP. Notwithstanding paragraph 3 below, any obligations assumed by GM under the "check the box" provisions of this paragraph shall be conclusively deemed to be comprehended by, included within, and shall constitute a prepetition, general unsecured claim assertable by GM against the estate of Delphi Corporation under Delphi's general indemnity of GM under the Master Separation Agreement. Neither Delphi Corporation nor any of its debtor affiliates may object on any grounds to the allowance of such claim; provided, however, that Delphi Corporation and any of its debtor affiliates reserve the right to object to the economic value of such claim (in the nature of assumptions such as discount rate, health care trend rates, mortality, other withdrawal rates and current and future expected benefit plan design changes). This limited objection waiver applies to Delphi, only, and not for other parties in interest, for which all rights are expressly reserved to object to the allowance of such claim under any grounds other than it was not assertable under the Master Separation Agreement. In exchange for eligibility to receive post-retirement health care and life insurance benefits from GM, employees will waive any and all rights to post retirement health care and employer paid basic life insurance benefits from Delphi including but not limited to any and all rights to COBRA continuation through Delphi.

3. The parties acknowledge the following matters regarding the Special Attrition Program - Transformation:
 - a. Delphi's participation in this SAP-T is subject to the approval of the U.S. Bankruptcy Court; which approval Delphi will seek promptly at the next available omnibus hearing. In the event such participation is not allowed by the Bankruptcy Court, GM and the IBEW, IAM, IUOE will have no obligations hereunder. GM's obligations hereunder are subject to approval of this SAP-T by the U.S. Bankruptcy Court pursuant to entry of an order that provides for the treatment of GM's claims as described in this SAP-T and is otherwise reasonably satisfactory to GM, Delphi, the IBEW, IAM, and IUOE.
 - b. For the avoidance of doubt, any obligations assumed by GM under this SAP-T with respect to post retirement health care and employer paid basic life insurance benefit under paragraph 2 above shall be conclusively deemed to be comprehended by, included within, and

shall constitute a prepetition, general unsecured claim assertable by GM against the estate of Delphi Corporation. GM agrees to assume and pay post retirement health care and employer paid basic life insurance benefit payments to Delphi employees who "check the box" for purposes of post-retirement health care and employer paid basic life insurance in retirement. .

- c. This SAP-T shall not be subject to abrogation, modification or rejection without the mutual consent of the IBEW, IAM, or IUOE, as applicable, GM and Delphi and the order obtained in the Bankruptcy Court by Delphi approving this SAP-T shall so provide. The parties further agree (and the Bankruptcy Court order shall also provide) that this SAP-T is without prejudice to any interested party (including the parties to this SAP-T and the Official Committee of Unsecured Creditors) in all other aspects of Delphi's Chapter 11 cases, including by illustration, Delphi's and GM's respective positions in all commercial discussions and claims matters between them, all collective bargaining matters involving the parties, in any potential proceedings under Sections 1113 and/or 1114 of the Bankruptcy Code with respect to the IBEW, IAM, or IUOE and under Section 365 of the Bankruptcy Code with respect to GM's contracts with Delphi, in any pension termination proceeding under ERISA and/or the Bankruptcy Code, and all claims administration and allowance matters.
- d. Nothing in this SAP-T, the Bankruptcy Court's approval of this SAP-T, or the performance of any obligation hereunder, shall limit or otherwise modify (a) Delphi's rights under Section 4041 of ERISA, or (b) Delphi's rights under Section 1113 and/or 1114 of the Bankruptcy Code with regard to any obligations which pre-existed this SAP-T (including pre-existing obligations referenced within this SAP-T), such as (by way of illustration only) the obligation to maintain the Delphi HRP or provide retirees or active employees (including employees/retirees participating in the attrition programs contained in this SAP-T) with levels of healthcare or other benefits as specified in pre-existing labor agreements. Under no circumstances shall Delphi freeze the Delphi HRP in a manner that prevents employees in the pre-retirement program described in Paragraph 1.b. above from receiving on-going credited service sufficient to reach 30 years of credited service. Delphi shall provide the same healthcare and life insurance coverage to employees participating in paragraph 1.b. that it provides to its other active IAM, IBEW or IUOE-represented employees, as applicable.
- e. Nothing contained herein, in the Bankruptcy Court's approval of this SAP-T, or the performance of any obligation hereunder, shall constitute an assumption of any agreement described herein, including, without limitation any collective bargaining agreement

between the IBEW, IAM, or IUOE and Delphi or any agreement between GM and Delphi, nor shall anything herein, in the Bankruptcy Court's approval of this SAP-T, or the performance of any obligation hereunder, be deemed to create or give rise to an administrative or priority claim with respect to GM or convert a prepetition claim into a postpetition claim or an administrative expense with respect to any party.

**IMPLEMENTATION OF THE SPECIAL ATTRITION PROGRAM –

Term Sheet – Delphi Cessation and GM Provision of OPEB

- 1) This Term Sheet sets forth the agreement of General Motors Corporation (“GM”), Delphi Corporation, or any successor to Delphi as a result of the acquisition of substantially all the stock or assets of Delphi Corporation or a merger of Delphi Corporation, (“Delphi”), and the International Union of Operating Engineers and its Local Unions 832(S), 101S and 18(S) (“IUOE”), the International Brotherhood of Electrical Workers and its Local Union 663 (“IBEW”), and the International Association of Machinists and Aerospace Workers and its Tool and Die Maker Lodge 78 (“IAM”), regarding Delphi’s cessation of post-retirement health care benefits and employer-paid post-retirement basic life insurance benefits (hereinafter referred to as “OPEB”) and GM’s agreement to provide OPEB to certain retired employees currently receiving such benefits from Delphi and other active Delphi employees who may become eligible for OPEB in accordance with this Term Sheet. Except as otherwise expressly stated herein, the terms of the respective Delphi and GM employee benefit plans and programs will govern. This Term Sheet does not, and is not intended to, constitute an employee benefit plan under the meaning of ERISA.
- 2) The parties acknowledge that this Term Sheet will become effective (the “Effective Date”) when all of the following events have occurred and as of the date when the last of such events shall have occurred: (a) the entry of an approval order by the Bankruptcy Court in Delphi’s chapter 11 cases approving the applicable IUOE, IBEW, or IAM-Delphi-GM Memorandum of Understanding-Delphi Restructuring which incorporates (among other subject matters) this Term Sheet and approves modifications to the existing collective bargaining agreements between Delphi and the applicable union resolving any Section 1113 and 1114 motions pending in the Bankruptcy Court as between Delphi and the applicable union; (b) successful ratification by the applicable union membership of such of the agreements referred to in the preceding clause as are determined by the applicable union to require such ratification; (c) execution by Delphi and GM of a comprehensive settlement agreement resolving the financial, commercial, and other matters between them; and (d) the substantial consummation of a plan of reorganization proposed by Delphi in its chapter 11 cases (the “Plan”) and confirmed by the Bankruptcy Court which incorporates, approves and is consistent with all of the terms of this Term Sheet and the comprehensive settlement agreement between Delphi and GM.
- 3) Pursuant to the Plan and this Term Sheet, as of the Effective Date or as soon as practicable thereafter in accordance with applicable law and administrative requirements (the “Cessation Date”), Delphi will cease to provide, offer, or have any liability for OPEB to its IUOE, IBEW, and IAM

represented hourly employees and retirees and their spouses, surviving spouses, dependents or other beneficiaries. The cessation will be administered on a "claims incurred" basis, and Delphi will therefore retain responsibility for all claims incurred but either unfiled or unpaid as of the Cessation Date. This cessation will include elimination of the Special Benefit relating to Medicare Part B.

- 4) As of the Cessation Date, GM agrees to provide OPEB (including the Special Benefit relating to Medicare Part B if applicable) to the IUOE, IBEW, and IAM represented Delphi hourly employees and Delphi retirees who:
 - A as of the Effective Date are retired with eligibility for OPEB;
 - B. as of the Effective Date are eligible to retire from Delphi on a normal retirement basis under Article II, section 1 of the Delphi Hourly-Rate Employees Pension Plan ("Delphi HRP") (i.e., age 65) or an early retirement basis under Article II, sections 2(a)(1), 2(a)(2) or 2(a)(3) of the Delphi HRP (i.e., 60 & 10, 85 Point or 30 & Out), with OPEB under the terms of the applicable 2003 collective bargaining agreement in effect on the date immediately preceding the Effective Date; and
 - C. become eligible to retire on a normal retirement basis under Article II, section 1 of the Delphi HRP (i.e., age 65) or an early retirement basis under Article II, sections 2(a)(1), 2(a)(2) or 2(a)(3) of the Delphi HRP (i.e., 60 & 10, 85 Point or 30 & Out) or as a Total and Permanent Disability retirement under Article II, section 3 of the Delphi HRP approved both by Delphi pursuant to the procedures applicable to the Delphi HRP as of the date immediately preceding the Effective Date and approved by GM under the procedures applicable to the General Motors Hourly-Rate Employees Pension Plan ("GM HRP"), within 7 years of the Effective Date.
- 5) All post-retirement medical benefits provided by GM will be in accordance with all the ongoing terms, conditions and eligibility requirements of the GM Health Care Program for Hourly Employees and GM will provide the applicable level of post retirement medical benefits consistent with the terms of the Modified Plan, as defined in the settlement agreement (the "Settlement Agreement") approved by the court in the case *IUE, et al. v. General Motors Corporation* (case number 2:06-cv-12151), on the same basis as such benefits are provided to GM-IUE-CWA hourly employees who retired from GM with eligibility to participate in the GM Health Care Program.
- 6) All employer-paid post-retirement Basic Life Insurance benefits provided by GM will be in accordance with all the ongoing terms, conditions and eligibility requirements of the GM Life and Disability Benefits Program for Hourly Employees and will be at the level provided for Delphi IUOE, IBEW, or IAM,

as applicable, represented retirees on the date immediately preceding the Effective Date, provided, however, that in no event shall GM be required to provide life insurance benefits at a level and scope that exceeds that being provided for similarly situated IBEW or IAM – represented hourly retirees of GM.

- 7) The parties agree to fully cooperate with the efficient transfer of administrative responsibilities from Delphi to GM so that the Cessation Date will be the Effective Date or as soon as possible after the Effective Date, but in no case later than 3 months after the Effective Date (unless mutually agreed to by the parties). The parties further agree that there may be differing Cessation Dates for different portions of post-retirement medical plan benefits depending on the benefit and how quickly administrative responsibilities can be transferred. The parties further agree that the Cessation Date shall not occur unless and until GM is prepared to assume responsibility for all covered claims incurred on and after the Cessation Date, in order to assure a smooth transition of the obligation.

General Provisions

- 8) Delphi, GM, and the IUOE, IBEW, and IAM agree to make all collective bargaining agreement and benefit plan amendments and modifications necessary to implement and comply with the terms contained herein.
- 9) Employees electing a Buy Down under the applicable IUOE, IBEW, or IAM-Delphi-GM Memorandum of Understanding-Delphi Restructuring will retain eligibility for OPEB under this Term Sheet without regard to such election.
- 10) This Term Sheet shall not be effective unless the confirmation order approving the Plan incorporates and approves all of the terms of this Term Sheet (including the releases provided for herein), does not include terms that are inconsistent with this Term Sheet, and provides that on the Effective Date, the IUOE, IBEW, and IAM, all employees and former employees of Delphi represented or formerly represented by the IUOE, IBEW, and IAM, and all persons or entities with claims derived from or related to any relationship with such employees or former employees of Delphi, waive and be deemed to have waived any and all claims of any nature, whether liquidated, un-liquidated, contingent, non-contingent, asserted, unasserted, existing and/or arising in the future against Delphi, the Delphi HRP, the Delphi Health Care Program for Hourly Employees and the Delphi Life and Disability Benefits Program for Hourly Employees, GM, the GM HRP, the GM Health Care Program for Hourly Employees and the GM Life and Disability Benefits Program for Hourly Employees, and the officers, directors, employees, fiduciaries, and agents of each, arising from or related to any obligations of Delphi, GM and/or such employee benefits plans to provide OPEB or pension benefits, or related in any way to the amendment and

freeze of the Delphi HRP, the cessation of Delphi OPEB; provided however, that claims for benefits provided for under the provisions of this Term Sheet or ordinary course claims by participants and beneficiaries of the GM Health Care Program for Hourly Employees, the Delphi Health Care Program for Hourly Employees and the Delphi Life and Disability Benefits Program for Hourly Employees, arising after the Effective Date based on the denial or miscalculation of benefits under such plans are not waived. The parties acknowledge that Delphi and/or GM may seek additional waivers of other claims, other than ordinary course grievances and workers' compensation claims, in connection with the resolution of its current labor negotiations with the IUOE, IBEW, and IAM. The parties also acknowledge that (i) the consideration provided by GM in this Term Sheet constitutes a substantial contribution to the Plan, (ii) this contribution is necessary to the success of the Plan, and (iii) GM would not have made this contribution without obtaining the releases provided for herein. The Parties further acknowledge that nothing in the preceding sentence shall give rise to or entitle GM to seek or be allowed any claim against or consideration from any entity, including Delphi, other than as specifically approved by the Bankruptcy Court as agreed to by Delphi and GM in a comprehensive settlement agreement resolving the financial, commercial, and other matters between them.

The parties, by their duly authorized officers and representatives, agree accordingly this 31st day of July, 2007.

Delphi-GM- IBEW, IAM, IUOE Special Attrition Program –Transformation

1. Delphi, the International Union of Operating Engineers, AFL-CIO (IUOE), the International Brotherhood of Electrical Workers, AFL-CIO (IBEW), and the International Association of Machinists and Aerospace Workers, AFL-CIO (IAM) (collectively the “Unions”), and General Motors agree on the following Special Attrition Program – Transformation (SAP-T) for Delphi employees who are participants in the Delphi Hourly-Rate Employees Pension Plan (“Delphi HRP”).
 - a. An attrition program will be run for eligible IBEW, IAM, and IUOE-represented Delphi employees as follows:
 - i. \$35,000 for normal or early voluntary retirements when the employee’s services are no longer required but no later than January 1, 2008.
 - ii. Age 50 with 10 years of credited service Mutually Satisfactory Retirement (MSR) effective when the employee’s services are no longer required but no later than January 1, 2008.
 - b. Any employee with at least 26 and less than 30 years of credited service regardless of age will be eligible for special voluntary placement in a pre-retirement program when their services are no longer required, but no later than January 1, 2008, under the following terms:
 - i. Employees electing this pre-retirement program must be eligible no later than January 1, 2008.
 - ii. Employees will retire without additional incentives when they first accrue 30 years of credited service under the provisions of the Delphi HRP.
 - iii. The gross monthly wages while in the program will be:
 1. 29 years credited service \$2,900
 2. 28 years credited service \$2,850
 3. 27 years credited service \$2,800
 4. 26 years credited service \$2,750

Wages will be paid weekly on an hourly basis (2,080 hours per year) and will remain at that rate until 30 years of credited service is accrued. Employees will be treated the same as active employees with the following exceptions: (1) not eligible for Cost of Living Allowance (COLA); (2) not eligible for vacation pay except as was earned and unpaid prior to the commencement of this Pre-Retirement Program; (3) for purposes of pension benefits, the Benefit Class Code will be determined using the twenty-four month look back period as specified in Appendix A of the Delphi HRP, with said period starting from the last

day worked prior to the commencement of the pre-retirement program;
(4) for purposes of life insurance, the amount of life insurance will be based on the base rate as of the last day worked prior to the commencement of the pre-retirement program.

- c. Buy out of \$140,000 for eligible employees with 10 or more years of seniority or credited service, whichever is greater; \$70,000 for eligible employees with at least three but less than 10 years of seniority or credited service, whichever is greater; and \$40,000 for eligible employees with at least one but less than three years of seniority or credited service, whichever is greater, to sever all ties with GM and Delphi except any vested pension benefits (as such no pension supplements will be payable). Employees will buy out when their services are no longer required, but no later than January 1, 2008. An employee electing a buy out whose spouse is employed at Delphi may, if they meet all plan requirements to do so, be eligible for health care coverage as a dependent pursuant to their spouse's health care program.
 - d. An employee may only select one of the options described above.
 - e. Effective January 1, 2008, all employees (other than those participating in option 1.b.), not electing an attrition option will be bought down consistent with the IBEW, IAM, or IUOE -Delphi-GM Memorandum of Understanding - Delphi Restructuring applicable to the employee.
 - f. Temporary employees will be used as needed to bridge any difficulties arising from the implementation of the Special Attrition Program – Transformation.
2. GM, the Unions and Delphi agree that any employee electing to retire under options 1.a.i., 1.a.ii, or 1.b. will transition to GM for purposes of post-retirement health care and employer paid basic life insurance in retirement ("check the box") and receive such benefits from GM on the same basis as GM-IUE-CWA retirees; post-retirement medical benefits provided will be in accordance with all the ongoing terms, conditions and eligibility requirements of the GM Health Care Program for Hourly Employees. As such, GM will provide the applicable level of post retirement medical benefits consistent with the terms of the Modified Plan, as defined in the settlement agreement (the "Settlement Agreement") approved by the court in the case *IUE, et al. v. General Motors Corporation (case number 2:06-cv-12151)*, on the same basis as such benefits are provided to GM-IUE-CWA hourly employees who retired from GM with eligibility to participate in the GM Health Care Program. Any employee choosing option 1.b. above will be considered a Delphi employee until they retire. Employees who have 100% of their credited service in the Delphi HRP will receive 100% of their pension benefit from the Delphi HRP. Notwithstanding paragraph 3 below, any obligations assumed by GM under the "check the box" provisions of this paragraph shall be conclusively deemed to be comprehended by, included within, and shall constitute a prepetition, general unsecured claim assertable by GM against

the estate of Delphi Corporation under Delphi's general indemnity of GM under the Master Separation Agreement. Neither Delphi Corporation nor any of its debtor affiliates may object on any grounds to the allowance of such claim; provided, however, that Delphi Corporation and any of its debtor affiliates reserve the right to object to the economic value of such claim (in the nature of assumptions such as discount rate, health care trend rates, mortality, other withdrawal rates and current and future expected benefit plan design changes). This limited objection waiver applies to Delphi, only, and not for other parties in interest, for which all rights are expressly reserved to object to the allowance of such claim under any grounds other than it was not assertable under the Master Separation Agreement. In exchange for eligibility to receive post-retirement health care and life insurance benefits from GM, employees will waive any and all rights to post retirement health care and employer paid basic life insurance benefits from Delphi including but not limited to any and all rights to COBRA continuation through Delphi.

3. The parties acknowledge the following matters regarding the Special Attrition Program - Transformation:
 - a. Delphi's participation in this SAP-T is subject to the approval of the U.S. Bankruptcy Court; which approval Delphi will seek promptly at the next available omnibus hearing. In the event such participation is not allowed by the Bankruptcy Court, GM and the IBEW, IAM, IUOE will have no obligations hereunder. GM's obligations hereunder are subject to approval of this SAP-T by the U.S. Bankruptcy Court pursuant to entry of an order that provides for the treatment of GM's claims as described in this SAP-T and is otherwise reasonably satisfactory to GM, Delphi, the IBEW, IAM, and IUOE.
 - b. For the avoidance of doubt, any obligations assumed by GM under this SAP-T with respect to post retirement health care and employer paid basic life insurance benefit under paragraph 2 above shall be conclusively deemed to be comprehended by, included within, and shall constitute a prepetition, general unsecured claim assertable by GM against the estate of Delphi Corporation. GM agrees to assume and pay post retirement health care and employer paid basic life insurance benefit payments to Delphi employees who "check the box" for purposes of post-retirement health care and employer paid basic life insurance in retirement. .
 - c. This SAP-T shall not be subject to abrogation, modification or rejection without the mutual consent of the IBEW, IAM, or IUOE, as applicable, GM and Delphi and the order obtained in the Bankruptcy Court by Delphi approving this SAP-T shall so provide. The parties further agree (and the Bankruptcy Court order shall also provide) that this SAP-T is without prejudice to any interested party (including the parties to this SAP-T and the Official Committee of Unsecured Creditors) in all other aspects of Delphi's Chapter 11 cases, including by illustration, Delphi's and GM's respective positions in all
